

GRASSHOPPER AUTOTESTS - SUPPLEMENTARY REGULATIONS

For the 43rd running of the Grasshopper we are again at the new field at Stanbridgeford with a nice smooth grass field at our disposal so a good day's sport should be had by all - given good weather. Your standard car is all that is needed together with your ability to handle it! Same straightforward course, no reversing.

A minimum of 6 tests is promised, **three** runs at each test, best two times to count. Lots of awards, with low qualifying numbers.

This will attract those with standard cars from the invited clubs and from within Boundless by CSMA. The requirement is **for a passenger**, and the driver/passenger can swap seats to create a second entry, so long as membership is valid. You will be seeing how it should be done, by the Experts, and it will give you the chance to gain valuable experience, or beat them.
