

# Future NEL Clubnights

We have been asked by Broxbourne council for an estimate of how many people we expect to attend clubnights in future.

We obviously hope all will be restored to normality at some point, however until then..

- With strict adherence to social distancing rules as a minimum
- No refreshments provided, (bring & consume your own is OK)
- The possibility of compulsory mask wearing
- A one at a time toilet use policy

How many people would attend clubnights?

Please respond YES if you would attend and MAYBE if you would be selective based on the speaker.

If you come as a group/couple, please indicate how many you are answering for.

DO NOT respond with a NO, We'll take all non-replies as negative.

Once we have the numbers we can see what Broxbourne have to say in detail.

Hope to see you in September.
