

This is 1hr 18 mins long, a bit of pre-
amble, the AGM and some extra bits at
the end, the tales and readings

If you can get past the appalling Capcha
test, well done indeed.

My opinion is that whoever implements
these things must be able to pass them;
after exposure to raw onions they start,
then pepper sprayed and flayed with
piano wire every time they fail : until they
succeed.
