Hi Everyone – Happy New Year and welcome to your January 2026 Newsletter...

So far, we haven't had any snow this far south – just heavy frosts - but it has gone down below zero each night recently. I can also report no recent sightings of bananas on our local beach, although we did spot a lone fisherman on New Year's Eve - out in his waders with the sea up to his waist ...!

Staff & Lesley have provided some final details for those of you going to the forthcoming Nelly lunch and this issue also contains the Winter Communique from Member Communities in Brighton.

I hope you all managed to have a good time over the festive season and avoided any colds and flu. Something I didn't manage, as I woke up with those telltale symptoms early on Christmas Eve, but fortunately it only lasted around three days. Maybe those regular doses of "festive-season medicine" helped keep it bay...?

On the car front - fingers crossed (after a second warranty visit to the dealer) it seems the Fiesta's random heated front screen activation and camera warning message may have been fixed. It appears some gel had leaked into the housing/pod behind the rear-view mirror and, as it moved around, may have been causing the camera and rain sensor to falsely detect excess humidity and reduced visibility...? Time alone will tell if removing said substance has done the trick.... One bonus, at least for warranty repairs, is that our local Ford dealer, collects, returns, washes and vacuums it each time...!

That's all for now – Dave

Please send copy for next issue to Dave Rosher at the email address above: **to arrive by 24 January**

Chairman's January Chatter

I hope you can all welcome the New Year and happily say goodbye to 2025. It will have been better for some than for others. We have a full programme for the coming year, with a mix of speakers both from NEL and further afield which should provide something for most, if not all.

Our last clubnight of the year was a very sociable affair, with thanks due to all who helped make it so. I can't imagine what John's room at home must look like full of all those records and equipment but once again we enjoyed some nostalgia music, with the Christmas theme as befitted the occasion.

This month we welcome back Paul Baker, local historian, with another of his excellent presentations on London Street Art which will feature Shoreditch and Spitalfields. Paul finds these paintings in the most unlikely of places and it really is an art form that he captures and shares with us.

This is followed shortly afterwards by our annual lunch, which is this year on Sunday 18th Jan at the Galley Hall, Hoddesdon and thanks go to Stafford and Lesley who, with great patience, tease out from us our choices and our money. Everything is booked up and ready, we just need you to get there in good time, get your drinks in and get to your appointed table and settle down.

Some good news on the lane from the old A10 up to the pub, it's been resurfaced and white lined so it no longer feels like you are driving along a Noreaster white! (That can be explained by someone on your table if you don't know what it means)

No lunch meet at the Plough this month but we shall be back there next month. By then we shall hopefully have had our February 12-car, this month it's NEL's turn and Graham Robinson is in charge. I say hopefully as entries are not looking good, but maybe they will pick up as we get nearer to the day. This is followed by our club night which features Robert, telling us what he got up to in Canada and Switzerland with the aid of photos on the big screen, bringing it all to life.

There has been some splendid footage on the TV of the Dakar Rally, from Saudi Arabia, surfing the dunes and driving at frightening speeds across the desert. All very brave, as I know what it's like to drive into a wadi at 40 mph when you're not expecting it.

If you are into it, how about considering the Race Retro show at Stoneleigh Park 20-22 February, a massive historic Motorsport festival?

What's coming up?

Clubnight Tuesday 13 January – Speaker

Another chance to experience the wonderful art work that can be found in London, if you know where to look. Paul Baker is our virtual guide.

Annual lunch Sunday 18 January

We meet up, those who have paid of course – and too late if you haven't – at the Galley Hall, Hoddesdon. If I were you, I would bring along some loose change as I hear there will be a raffle and some sort of game, needing a £1 entry.

Friday 6 February – NEL group are running their 12 car rally, details inside. No marshals needed, but bring along your laptop to the start and follow the action from inside the pub!

Clubnight Tuesday 10 February

Featuring Robert, we are showing some photos from his trips to Switzerland and Canada.

Take care, *Bernard*

ROBERTS RAMBLINGS

Happy New Year, and first a big thank you. I collected £58 pounds for Barnardo's. The thank you, letter is printed below. I missed December but as it was the usual fun and games, I am sure it was okay.

Looking forward to January club night, we start off with a talk by Paul Baker on street art. No Tuesday lunch this month because we have our annual Sunday lunch at The Galley Hall, on the 18th. See separate article from Staff.

These ramblings are being written after I have returned from Switzerland for Christmas, so they are again a bit short. We had a white Christmas, and this was a view from room on Christmas Eve. Next month I shall do an article on the holiday.

However, in concluding I must say that yet again, I have missed out on a knighthood.

Keep it on the road.

Robert.

Thank you for changing childhoods

Thank you for your kind donation. Your support will help make children and young people feel heard and seen, and like they belong. And that's what Barnardo's is all about.

Thank you Robert for showing children and young people that you care about their future. Life is difficult for too many children, but by donating £58.00 you're helping more children and young people get the support they need.

By giving to Barnardo's, you're helping to change childhoods and change lives.

Details of your gift

Your name: Mr Robert Daines

Your gift: £58.00

You're helping children and young people feel safer, happier, healthier and more hopeful for the future. And that's amazing.

NEL group New Year lunch – final regs

Sunday 18th January 2025, 12.30 for 1.00pm

The Galley Hall

Hailey Lane, Hoddesdon, Herts, SG13 7NY

By the time you read this you will have feasted yourself silly courtesy of Father Christmas; danced in the New Year in your best party dress and now waiting for the fun and frolics of the New Year lunch.

The lunch has been well publicised in the last two issues of the newsletter. For anyone still teetering the final closing date is 4th January. This is to enable us to collate and present the information, menu choices etc, to the restaurant in advance.

Confirmed numbers at time of writing is 37 so it will as usual be a good-time sociable event.

Not many people carry cash with them these days but please remember to bring some with you for the usual raffle and Heads and Tails, profit of which will go to the gratuity for the staff. There will be plenty of raffle prizes but if anyone has any of those unwanted Christmas presents, bottles of wine, gin, whiskey, Ferrari Dino, etc which could supplement the prize chest please bring them along.

As usual I will be responsible for paying for the pre-ordered Starters, Main course and dessert, ie that which you have already paid for. You will be responsible yourself for paying any extras, ie drinks, coffee, etc.

The pub itself often gets busy Sunday lunchtimes, if the car park is full there will be plenty of safe parking in the road outside.

Stafford and Lesley Steed

Past Events

November 12 Car Rally This time we had seven entries, with two in the new RallyRun class. Everything had been planned and ready to go and Alan went out to do a recce in the morning. Then the problems began! We had three emergency sets of roadworks appear on the day, one in the morning recce, one noticed in the afternoon on Google maps and the last one during the event, when Alan was out putting the code boards out. We managed to sort the first one out, but the second didn't get sorted until just before the start and in the haste, Mike forgot to set the new TC6 location live on the APP, doh! The last one was resolved by getting Alan to see meet crews at TC9 and to tell them to use a different route to the next control, which was lucky to be a non-competitive section. In the end a decent event still emerged and Doug Harrison/Alan Smith, in the RallyRun class, managed to get round with the lowest penalties.

Future Events

February 12 Car Rally The start for this event is from The Catherine Wheel PH, Pelham Rd, Gravesend, Albury, Ware SG11 2LW, MR 167/ 439257. Using maps 166 (edition MAY 2018) and 167 (edition FEB 2016) for the 50 mile route, with the first car starting at 8:31pm. There will be four classes:- RallyRun / Novice / Semi-Expert / Expert and the navigation will be tailored to suit the classes. Entry fee is £18 per car and the regs are currently available. The organiser is Graham Robinson and you can contact him on graham.e.robinson@btinternet.com.

March 12 Car Rally Starting from The John Bunyan PH, Colman Green, Herts AL4 8ES, MR 166/189125, it will use map 166 (edition MAY 2018) for the 45 mile route, with first car starting at 8:31pm. There will be the usual four classes:- RallyRun / Novice / Semi-Expert / Expert and the navigation will be tailored to suit the classes. Regs are currently available. Entry fee is £18 per car and the regs will be out mid January. The organiser is Mike Harrison and is contactable on mlh.bhm@btconnect.com.

20:20 Rallies These events are an intermediate style event between a 12 Car rally and a full night rally. The title refers to a maximum of 20 cars and 20 controls, and is usually held on a Saturday night and run for about 100 miles. The Blackbird AC one in February will be reverting to full old school format with marshals and paper handouts, with food and drinks at the finish. They are looking for some support from marshals.

Other Events Please see the calendar above for other events we have an invite to. I can get regs for any of these, just contact me if interested. Most of these events are entered via the Sapphire System, so regs, etc. can be found there. We will be invited to all the Anglian Motor Sport Club autosolos/autotests throughout the year.

12 Car Rally – A guide to the new format

- Any standard car can be used. Event limited to only 12 cars. Around a 45 mile route, timed at an average speed of 30mph. Friday evening, starting at 20:30, with the start/finish at the same location at a pub, for a social before and after the event.

- Penalties are incurred for missing loops and booking in early/late at time controls. Time recording and route checks are done using a Smart Phone and the Timing App, which give notice when approaching a control/check, so you know you are on the right route.

Member Communities Communique

Winter Update

A message from Ian Jarrett, Club Leader

As you will be aware from the Volunteer Recognition Meeting and Awards special communique, Geoff Gaunt has taken up the duties of Vice Chair of the Association thus creating a vacancy for the role of Club Leader.

Following the AGM, I was nominated for the role and have been appointed for a term lasting until October 2028. I offer a few words of introduction outlining my 'club' involvement by way of assurance that my roots are firmly placed in member participation. Alongside being Chair of Shropshire Group I have been representing Motoring and Motorsports interests of members at Club Council in my role as Motoring Leader. Stepping up into the role of Club Leader is an extension of this, whilst remaining a part of and contributor to the Club Council forum.

The Club Leader by default becomes a member of the CSMA Board. Part of the Club Leader role is to carry forward the opinions, concerns, requests and contributions from the Club Council and ensure that they are taken into consideration in discussions and decisions made by the Board. In close co-operation with Member Communities, duties also include keeping Club Council aware of matters that relate to member activities and the way activities are enjoyed. The Club Leader is also a member of the Club Management Group, consisting of our Club Officers, the Head of Member and Business Operations and key staff from Member Communities. This group essentially manages an overview of arrangements of how groups and active members continue to successfully deliver our activities

My personal mission will be to continue the work of my predecessor and be the two-way link between Club and the wider Association and in doing so endeavour to improve arrangements to reduce perceived obstacles to arranging events, encourage participation and to secure sustainability. The role of Club Leader does not preclude me from taking an active part with my Group or the West Midlands Marshalling Team and I fully intend to enjoy our activities, after all, it's why I became a member in the first place.

Looking to the future, in this edition you will find lots of interest for the coming year. One item to note is the 'touchy subject' of Risk Assessments for your planned activities and events. Your concerns are very much recognised, and you will see that arrangements are being made to secure third party advice to be able to streamline the process where possible. It is understood that the process may seem overly onerous, however, please bear in mind that overall risk to Boundless, such as reputational damage and financial and insurance liability, is a necessary consideration as well as local health and safety.

Also intended for 2026 will be a continuation of opportunities for Networking Calls and Club Leader Calls, where we will be able to get to know one another better and talk through issues. Details are still to be finalised, as it's been a bit of a whirlwind since my appointment and I'm still finding my feet.

Finally, I wish everyone a Merry Christmas and a fruitful 2026, Ian

SENs and Health & Safety Update

Thank you to everyone who has already submitted their 2026 SENs to the team. Please continue to send in your group events as soon as they're confirmed, so we can advertise your fantastic activities early and help encourage even more members to take part.

As Ian mentioned in his introduction, we're currently working with a third-party health and safety consultant to review our risk assessment process. The aim is to identify improvements that better support you while continuing to ensure the safety of everyone involved. We'll keep you updated as this work progresses.

Also a great time to remind everyone it is important to report any incidents or near misses to the Member Communities Team so we can continue to keep both you, our volunteers and members safe. A reminder the emergency contact number for any urgent incidents is 0330 123 2011. Thank you for helping us ensure a safe and enjoyable experience for everyone!

New Rallies and Social Breaks!

Our 2026 Camping and Caravanning Handbook and Social Breaks Guides are now available, both online and in print.

Our 2026 Member Days Need You

Thanks to the tremendous success of our Member Days this year, the Events Team is expanding the programme for 2026. We're delighted to share that we'll be offering more than 30 Member Days, almost double the number held in 2025.

To bring even more fantastic days out to members across the country, the team is now contracting a wider range of venues. While our current programme has focused on large attractions able to welcome hundreds of members, this has limited the types of venues and locations we could offer. Next year, we'll be adding smaller, more local venues alongside our big favourites - making it easier for members to enjoy a brilliant day out right on their doorstep.

To make these events possible, we need your help. We're looking for volunteers to support at Member. If you or your group would like to get involved, please email volunteer@boundless.co.uk with the events you're interested in.

As a volunteer, you might help with raffles, queue management, or simply ensure everything runs smoothly during the first hour at smaller venues. You'll also be there to provide a warm welcome and assist members with any questions. As a thank you for your support, we'll cover your travel expenses, contribute towards your lunch, and provide free entry tickets to the venue.

Upcoming Member Days:

-  **7 March** – Studley Grange Butterfly World & Farm Park
-  **14 March** – BeWILDerwood Cheshire
-  **21 March** – Howletts Wild Animal Park
-  **28 March** – Sudeley Castle (*Sold Out – Waitlist Available*)
